

All forms are

not created equal

## OyezForms manage your risk

The consistency of having 1 source for forms standardises internal procedures and manages risk

- All users adhere to the same form templates and approved method of completion
- Alleviates the potential risk that could be created by an in-compliant form being saved and re-used

## 1 comprehensive, centralised source

No more time wasted looking for the correct form

- Exceptionally powerful search facility with instant results
- Quick Find option for frequently used forms (per user)
- Our library contains 2500+ forms and is expanding all of the time
- All new forms included at no extra charge
- Automatic form updates take place while users work
- Editorial email bulletins notify you of changes in advance of any form updates

## Increase efficiency & profitability

With functionality built specifically to save time

- Multiple form opening, edit, save and print
- Format in any field, any form; margins, indents, bullet points and numbering
- Flexi-form field expansion capability of 150,000 characters
- Structured clause library (Pinboard) removes the need to type and retype commonly used clauses
- AutoSave back-up restores the form you were working on in the event of a reboot
- Unlimited 'Undo' function allows multiple text undo's
- Forms self-calculate where required
- Automatic 'Create PDF/Send by Email' feature makes it fast and easy to share forms
- Integrated Court, Registries & Local Authority database
- We offer a range of forms in familiar, flexible Word format
- Our range of intelligent data workflows make form completion faster & easier and manage many of the risks associated with more complex legal forms.

## WHY ARE SO MANY UK LEGAL FIRMS MOVING TO OYEZ?

### Choice

We're a totally independent, UK-owned provider. Our products integrate with almost all case & document management systems so you won't get backed into a technology corner.

### Innovation

Our on-going development program covers both our current and future products. We guarantee your forms package will remain totally relevant and reliable far into the future.

### 5\* Support

OyezForms customers have free, on-going access to our friendly support team. This service is very highly regarded by all of our customers who consistently rate it 5-stars.

### Fair Price

Our aim is to offer our clients as much value as possible. That means providing the latest technologies, user friendly products, high levels of personal service & a fair price policy.
